

How to use your Gift Card

Step 1: Select the product and continue to the check-out window.

Step 2: Select the delivery/pickup options.

Step 3: When the recipient wants to pay online, they click “Redeem a gift card” (see the yellow highlight below)

Step 4: Enter your unique gift card code to subtract the amount on the gift card. If there is an outstanding amount over and above the amount of the gift card you will then be prompted to pay the balance of the order.

The Gift card's unique code must be entered into the typing block area (highlighted in yellow) that appears after you select the "Redeem a gift card" text button.

The screenshot shows a checkout window with a sidebar on the left containing several empty text input fields. The main content area is titled "Order summary (1)" and includes an "Edit Cart" link. Below the title, there is a product listing for "Shama Joernaal (Groot met ringbinding) (Afrikaans)" with a price of R475,00 and a quantity of 1. Below the product listing, there are two options: "Enter a promo code" and "Redeem a gift card". The "Redeem a gift card" option is selected, and a text input field with the placeholder "Enter your gift card code" is highlighted in yellow. Below this field is an "Apply" button. At the bottom of the order summary, there is a table with the following items:

Subtotal	R475,00
Delivery	R125,00
VAT	R0,00
Total	R600,00

Below the table, there is a "Secure Checkout" button with a lock icon.
